MATIMA was co-founded by two Japanese Doctors of Musical Arts: clarinetist **Maiko Sasaki** and pianist **Makiko Hirata**. The ensemble will present western classical music alongside a multi-sensory experience of Japanese culture. The performance looks to transcend cultural differences and encourage peace, harmony, and empathy.

Proceeds from this concert will be donated to EMERGE-HISD, a program that prepares students from underserved communities to successfully attend and graduate from the nation's top colleges and universities.
